

**PUROFLUX**  
CORPORATION

## **INDUSTRIAL APPLICATIONS** **Spray Nozzle / Small Orifices**

Washdown, coolant, or other liquid spray systems with small orifices can plug quickly.

**Puroflux** separators are an easy and reliable way to remove large particles that can cause clogging or reduce flows.

***PUROFLUX OFFERS A WIDE VARIETY OF SEPARATOR SYSTEMS THAT CAN BE UTILIZED TO PROTECT NOZZLES AND OTHER SMALL ORIFICES.***
